

# Till assignments

## Till Assignment

You can click on **Till assignments** to be able to assign or unassign tills to users. In this tab, you are also able to see the tills that are already assigned to a user in the **Assigned till** tab and all the tills that are available to be assigned to available users in the **Unassigned tills** tab.

To unassign a till to a user you just need to click on the red button on the **Actions**. To assign one user to a till just click on the green button on the **Actions** and a list of available users will appear, after selecting one, click on the green button on the **Actions**, and the assignment is completed. After this, you will be redirected to the **Assigned tills** tab again.
