

3. How to Start Trips

Start a trip

Every driver can perform one trip at a time. To see your scheduled trips, access the **Trips** tab and check the **Upcoming** trips.

To start a trip all you need to do is select a trip card. It will show you the details page where you can load the products. Each card displays the trip type, ID, vehicle, your name, and the product quantity or warehouses.

Trip details

REJECT

SALES

A34JK

VEHICLE NAME

Big heavy truck N3312

DRIVER

John Doe

Loading request

Warehouse A

PRO GAS 6KG

Full

x 100 units
