

# Product categories

## Product categories

The screenshot shows a web application interface for 'Product categories'. On the left is a sidebar with the logo 'PROTO SOLUTIONS™' and a list of menu items: Customers, Users, Vehicles, Containers, Stock Admin (highlighted), Stock Flow, Trips, and Assignments. The top right corner displays 'Proto Solutions' and the user 'Sara Pettersson' with a profile icon and a dropdown arrow. The main content area is titled 'Product categories' and shows '3 product categories'. Below this is a table with the following data:

Name	Actions
Accessories	
All products	
Gas
