

# Vehicle Types/New Vehicle Type

## Vehicle Types

In order to see all vehicle types available in the system, you can click on the **Vehicle types** tab.

The screenshot shows the 'Vehicle types' management page in the Proto Solutions system. The page features a sidebar with navigation options: Customers, Users, Vehicles (highlighted), Containers, Stock Admin, Stock Flow, Trips, and Assignments. The main content area displays a table of 17 vehicle types. The table has columns for Name, Description, Model, Brand, Vehicle category, and Actions. A '+ NEW VEHICLE TYPE' button is located in the top right corner of the table area. The user's name, Rita De Almeida Fernandes, is visible in the top right corner of the page.
